however, has not been credited to the album. He was once weeks later, the next two ("Suzy-Hang-Around" and "My Mama") entered the state. The American LP Edition uses the list of international tracks, but added the US Remix of "Ring Ring" at the end of side two. These records follow the order of operation of Waterloo LP, which was launched in the Netherlands, exchanging attention and as for Livingstone? The 1990 edition emitted by Polydor exchanged the tracks "Watch Out" and "What to Livingstone?" The 2001 edition exchanges the respective versions of the track -the Chapter for the CD to start with the English versions. GFK entertainment grades.
